Title: VERY HIGH SPEED PAGE	:

This is a decision on the petition under 37 C.F.R. §1.181(a) to withdraw the holding of abandonment, filed on June 13, 2006.

The Office regrets the delay in issuing this decision.

The above-identified application became abandoned for failure to reply in a timely manner to the non-final Office action, mailed March 10, 2005, which set a shortened statutory period for reply of three months. No response was received, and no extensions of time under the provisions of 37 C.F.R. §1.136(a) were requested. Accordingly, the above-identified application became abandoned on June 11, 2005. A notice of abandonment was mailed on March 13, 2006.

With the present petition, Petitioner's representative has asserted that a response was timely filed on June 9, 2005, however Petitioner's representative placed the wrong serial number on this submission - the cover page and the transmittal sheet both bear the serial number 09/672,376. Petitioner's

representative is reminded that errors such as occurred can result in loss of rights and care must be taken to avoid such.

The electronic file has been reviewed, and a copy of this response has been located in the same.

Considering the facts and circumstances of the delay at issue, as set forth on petition, it is concluded that Petitioner's representative has met his burden of establishing that a response was timely submitted.

Accordingly, the petition under 37 C.F.R. §1.181(a) is **GRANTED**. The holding of abandonment is **WITHDRAWN**.

The Technology Center will be notified of this decision. The Technology Center's support staff will notify the Examiner of this decision, so that the amendment of June 13, 2005 can be processed.

Telephone inquiries regarding *this decision* should be directed to the undersigned at (571) 272-3225. All other inquiries concerning examination procedures or status of the application should be directed to the Technology Center.
